New Pricing - More Leads - Better Service

Complete Website Hosting with your monthly subscription!

Good Morning,

As of September 1st we are updating memberships. We are limiting Systems News to 100 active members. All members will receive membership, free web hosting and free domain registration with their monthly fee. The monthly fee is now \$49.95

If you have a credit due for an annual membership fee paid here is how it will work:

You will be credited \$33.25 for each month remaining in your annual membership.

Example: If you are paid annually through December then your billing for September, October, November and December will be: \$16.70 Then in January you will be billed at the normal rate of \$49.95 per month.

It is important that all members update their records by September 1st. We are switching to a new data base and your membership will be lost if the records are not updated.

To update your records send an e-mail to:

jimveritch@systemsnews.com and I will send you a form.

Have a great week !

Jim Veritch
